

WestPenn[®] Power

A FirstEnergy Company

Your group is responsible for contacting West Penn Power to establish electric service

Please designate one person to set up service beginning your lease start date. Once on the West Penn Power website, hover over "Service Requests" then click "Start Service (Move In)". Enter the zip code for your new home under "New Customer" and complete the subsequent form.

Once you have your account set up, please use the form below to send ARPM your account ID for our records.

This must be done before any keys can be issued to anyone in your group.
